

# Hints and Tips

Tips for writing a story:

- Write about something that you find interesting and that you think other people will be interested in
- Try to grab the reader's attention in the first line with a mysterious statement or question
- Think about the character and the setting
- Will there be an adventure or a problem that your characters have to face?
- Do you want your story to have a message?
- Is your story serious or funny?

Foreign language tips:

- Make a list of foreign words you know to start with
  - Use a dictionary to look up more words
- It is okay to repeat sentences that you know, you can change one or two words to make it different
  - Using simple language is fine!
